Surveys

Parent Distance Learning Survey

- Please check your email for survey link.
- This includes the opportunity to join a parent focus group this summer that will discuss survey results and instructional related planning for the opening of the 2020-2021 school year.

Instructional Technology Survey (Teachers)

MLSD Summer Academy

Moved to a virtual setting. This helped to ensure the safety and health of both our students and instructors, while maintaining our ability to continue to offer a majority of our course offerings.

We will be offering 20 courses this summer that extend from grade 3 upto the high school.

Summer Academy Offerings

Getting Ready for Third Grade

Getting Ready for Fourth Grade

Summer Support for all students

Unlimited practice in 8,000+ skills

Progress-tracking reports

Personalized skill recommendations

Certificates and awards

The central graphic features four panels, each with a blue ribbon banner at the bottom. The top-left panel shows a stack of books, a pencil, and a globe, with a banner that reads 'Unlimited practice in 8,000+ skills'. The top-right panel shows a 'USAGE DETAILS' report with statistics like '504 SKILLS', '2 hr 54 min', and '24 HOURS', with a banner that reads 'Progress-tracking reports'. The bottom-left panel shows a 'Personalized skill recommendations' interface with a target icon and a banner that reads 'Personalized skill recommendations'. The bottom-right panel shows a 'Certificate of Excellence' from ALEX, a trophy, and books, with a banner that reads 'Certificates and awards'.
