

“Understanding the anxious teen and how to create an emotionally supportive environment”

Presenter:

Lori Phelan, MSW, LCSW

Date: Monday, November 14, 2016 at 7:00pm

Location: MLHS, Media Center Gallery

Sage In-District Services are designed to provide identified students with a higher level of support than they would typically get in a regular school setting. Our skilled clinical team work with administration and staff to provide a seamless counseling experience for the student. With the right therapeutic relationship and counseling, students will gain the support, strategies and insight they need in order to make progress in school and to better manage their emotional lives.

Refreshments will be provided

Please RSVP by Friday, November 11, 2016
